Experience

Freelance Concept Artist

Ben Winfield

Apr 2014 - Present (9 years 5 months)

As a freelance Concept Artist and Art Director, I have leveraged my nine years of experience in the animation industry to create compelling visual designs and artworks. I specialize in a wide range of subject matters and styles, including environment concept art and 3D character models.

By combining my expertise in art direction and concept art, I have consistently delivered captivating visuals that have helped clients bring their creative visions to life. Visit <https://www.benwinfield.com>

Clients include:

Tulips and Chimneys, Strange Beast, Passion Pictures, Triggerfish, Disney, FreeLives, Redstrings, Bewilder, RaveGrowl, Wicked Pixels, Omni Creative, Masters & Savant, Warren du Preez & Nick Thornton Jones
